

# FINDING PEACE THROUGH ART AND MY THOUGHTS AND FEELINGS ON 2020

BY JASMINE BEAUCAGE & KAYLA FRIESEN

Exhibit runs: January 13 – April 1, 2021

Donations appreciated

## JASMINE BEAUCAGE

Jasmine Beaucage is a young artist from Grunthal, Manitoba. She creates art that is soft and flowing with details that brings it to life. She mainly draws but she has worked with acrylics, watercolour, photography, animation, and 3D modelling. Her love for art and determination to improve has only gotten stronger from when she started, back in elementary school. Jasmine looks forward to challenging herself and exploring new forms of art in the years to come.

## KAYLA FRIESEN

My name is Kayla Friesen, I am a graduate of 2020. I spent my last months of high school staring at a screen rather than being with my peers. It gave me plenty of time to create works of art based on how I was feeling; the fear, the anger, the disappointment, and how the world looked in my eyes.
