

FUSION MUSICAL THEATRE Information Sheet (2020/2021)

INSTRUCTOR: Gabriela Gallo, BM, BEd, PEd (Bio available at www.steinbachartscouncil.ca)

What is FUSION SR?

Directed by Gabriela Gallo, FUSION is beginning its fourth season! Wow! It is a musical theatre program for young people who have had some exposure to the genre. It is designed to provide group training and opportunity to aspiring young performers in the area of Musical Theatre, for ages 5-14. SCM promises to create the safest environment possible for all students during this pandemic, adjustments will be made for rehearsal focus if need be (eg. focus on movement and theatre instead of singing if necessary).

How will the program help me?

The goal of FUSION is to provide young performers with skill development, opportunity, and preparation in the area of musical theatre resulting in our **production of “The Little Mermaid Jr.” in early 2022.** Main roles were cast in the fall of 2020, however chorus and small feature roles available. Chorus will be involved in all aspects of the show and will have many costume changes! So fun!

Our instructor tailors this series of workshops to each INDIVIDUAL student within the group, bringing out the best singer/actor/dancer in everyone! Regardless of your aspirations as a young performer, FUSION is the program you want to be in if you love musical theatre.

What makes this program different?

FUSION is exactly that: a fusion of three disciplines of performing arts including music (voice), drama and movement. Individual voice lessons usually focus on one element of musical theatre, but FUSION incorporates all three.
