

SAC Waiver Program

Volunteer and Fundraising Waiver Information Sheet

What is the SAC Waiver Program?

The Steinbach Arts Council has developed a Waiver program for all of our full year classes to keep classes affordable and accessible to our students. Parents have opportunities during the year to fundraise and volunteer as a way to subsidize their children's classes. If those requirements are not met, then a waiver fee will be charged at the end of the year. We ask that parents either bring in post dated cheques for those payments or fill out a Credit Card Authorization Form before the start of classes. All Credit Card Forms and unused cheques will be shredded at the end of the year.

How much are the waiver fees?

If the Volunteering is not completed during the year, then a \$25 waiver fee will be charged. If the Fundraising is not completed during the year, then a \$50 waiver fee will be charged.

What kinds of fundraisers and volunteer opportunities are offered?

SAC offers a variety of fundraisers that change every year. Some of the past fundraisers that we have done include selling Gift Cards, SAC Memberships, and tickets for our 50/50 for Kids draw.

Volunteer opportunities will be presented throughout the year. Some of the past opportunities include volunteering in the classroom, with special events or productions, helping in the SAC office or distributing posters in the community.

Will I be charged if I complete my Volunteering and Fundraising?

No. If your volunteering and fundraising are completed during the year, then the waiver payments will not be charged, and your credit card form and unused cheques will be shredded. If only one of your waivers has been completed, then we will only charge you for the incomplete one.

What happens if I do not complete the volunteering or fundraising?

If you know at the start of the year that you do not want to complete the Volunteering or Fundraising, then you can choose to pay out one or both of the waivers at registration. If you do not pay those at the start of the year and one or both of your waivers are incomplete, then we will take your payment(s) on the specified date. If you filled out a Credit Card form, then we will charge your card. If you sent in a cheque, then we will cash that. All Credit Card forms will be shredded at the end of the year.

What if I have a student enrolled in multiple programs or multiple students enrolled in a single program?

Each parent will only be required to complete one set of waivers per year.

If you have any further questions or would like more information, please email roxie@steinbacharts.ca or call SAC at 204-346-1077.
