Medical Information

It is extremely important that you follow the guidelines listed below in order to ensure your campers' health and safety.

1. It is the policy of The Steinbach Arts Council that all camper medications (prescription or otherwise) are acknowledged upon registration of the camp for the child's safety.
2. **EpiPens:** If your child has a potentially fatal allergy, please send **two EpiPens** to camp. Anaphylaxis Canada suggests that at least two doses of epinephrine be available at all times because a second dose could be required 10-20 minutes after the first dose if the reaction continues.
3. **Inhalers:** Inhalers that are used regularly can be kept by our Directors who will make sure that your child takes it on a regular schedule as specified on your registration form.
4. All **prescription medications** must be sent to Camp in the original container, with dispensing instructions written in English.

Behavioural Guidance Policy

Before camp, parents and caregivers should discuss behavioural expectations for camp. Camp offers an excellent venue for learning problem-solving skills, and subsequently, campers are involved in each step of the resolution process when problems occur. If behavioural problems arise, we follow this procedure:

1. The camper works out a solution with his/her Director.
2. If further intervention is required, a SAC Staff Member will be involved in the problem-solving process.
3. If behaviour problems persist, the camper's parent or guardian may be contacted to ask for guidance, and be involved in the resolution process
4. If behaviour issues continue and negatively impact the camp experience of other campers (including, but not limited to, violent conduct), a camper may be sent home.

CANCELLATION POLICY

1. If the Camper's Parent cancels the child's registration **3 weeks** prior to the program start date, the Camper's Registration Fee will be reimbursed less a \$20 Administration Fee.
2. Less than 3 weeks prior to the start date of camp– there will be **no refunds** issued.
